GLOBAL LEADERSHIP PROGRAM

HERE'S WHAT YOU GET

Led by myself and a faculty of master teachers, GLP is a **12-month business-building experience**.

THE GOAL?

To give you the help you need, when you need it to master your approach to bolster:

Sales, Products, Operations and Finance.

While keeping you clear, accountable and taking action every step of the way.

That's exactly what I'm here to help you do. And that's exactly what we've created for you here.

GLP is a 1 year program because world-changing, success isn't something that can be achieved in 30, 60, or 90 days. Business is a long game, and we're here to guide you through every step of the journey.

You get **lifetime access to all materials**, from our video classes and worksheets to templates, scripts and spreadsheets. You'll have every resource you need at your fingertips to avoid pitfalls and feel completely supported as you level up.

Our community is second to none. This tight-knit group of purpose-driven entrepreneurs can't wait to connect with you, cheer you on and challenge you when you need it.

Open Q&A sessions are available to you each month with myself and your GLP expert faculty, so you can ensure you never feel alone and can get exactly the help you need when you need it.

This program is driven by Business Development Results (BDR) to help you track your progress, and clearly measure your business productivity.
